TREK Cleaning Machines is a manufacturer of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have over 60 years of experience successfully marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality so as to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design ideas. They like providing products which energize both their dealers and their partners and provide production gains to their clients.

The team at TREK enjoys handling new tasks and challenges. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills along with their comprehension of cleaning applications, along with owners' strong desire to dramatically reduce cost through productivity gains.

The workers at TREK and their dealer-partners are really committed to having both parts and technical support available when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their customers' cleaning machinery ready and functioning everyday is top priority. The company's top of the line technology delivers dependable machinery that ultimately lowers your cleaning expense. The service, the product and the price all work together in order to make them an industry leader.
