

How many Forklift dealers does Doosan Forklifts have?

The Forklift group conducts its operations through a network of 94 independent dealers. There are over 220 sales and service locations manned by DIA lift truck dealers throughout the US and Canada. The lift truck product line comprises over 63 separate models, with 82 various engine and battery configurations. The lift truck vehicles come in both internal combustion and electricity-powered variety, and have load-carrying capacities in the range of 3,000 to 33,000 pounds. The trucks are manufactured in an ISO 9001-certified facility.

The lift truck division is equipped with trained personnel in sales, marketing, purchase, logistics and technical support.
